

GUIDELINES FOR HIRING THE COURTS

The courts are available to hire for training sessions and friendly matches. There is plenty of availability in between the summer and winter leagues, however availability is restricted during 'league time' due to league matches.

The courts are available for hire to League members at £20.00 per session at either:

- 19:00 – 20:30
- 20:30 – 22:00

The cost for non-League members is £25.00 per session.

Weekend sessions are also available subject to availability.

Teams must give at least 48 hours notice for cancellation of a court booking. In addition, if you are sharing the court with another team, the team booking the court will be responsible for the fee. As with match fees, you will be invoiced for court bookings.

If you would like to hire the courts between the times listed above, e.g. 19:30 – 21:30, you will be charged for 2 sessions.

The below guidelines are to help keep the netball courts in pristine condition so that we can all enjoy using them.

Please ensure that the following guidelines are adhered to:

- Please use the rubbish bins provided
- Please do not swing on or rock the posts
- No bicycles, roller blades or scooters to be used on the courts
- We have a no smoking policy within the courts
- No dogs allowed within the courts
- No chewing gum on the courts
- No footwear other than trainers to be used in the playing of sport
- No stilettos or other spiked shoes to be worn by anyone
- No chairs with spikes or other equipment with sharp points to be used

When completing your hire of the courts please ensure the lights are turned off (if appropriate) and the court is locked.
